Title of Resolution or Ord. Amd.:

AUTHORIZING AN AGREEMENT TO HOUSE RELOCATED DANE COUNTY JAIL RESIDENTS TO THE ONEIDA COUNTY JAIL

Policy Analysis Statement:

Brief Description of Proposal -
Request approval to award an agreement with Oneida County to provide bed space and maintenance for residents committed to the Dane County Jail and relocated to the Oneida County Jail. Oneida County has agreed to make available bed space for a minimum of 40 residents and a maximum of 110 residents for the per diem rate of \$60 per resident, per day, for the number of beds provided under the agreement.

Current Policy or Practice -
On average in 2022, approximately 65 men and women residents were housed out-of-county in Rock, Iowa, and Oneida County Jails.

Impact of Adopting Proposal -
The need to house Dane County jail residents to other county jails was due to closure of the east section of the 7th floor of the City-County Building Jail, which was closed because of staffing shortages and unsafe and inhumane conditions within the jail. Overcrowding in the jail, including lack of privacy, causes or exacerbates mental health problems, and increase rates of violence, self-harm and suicide. Under-resourced jails pose multiple legal, financial, and moral problems and, relocating residents to other county jails is one approach in dealing with the under-resourced jail until a permanent solution is found.
