SUBJECT: Request for Exception to Co. Ord. 20.14(3) – Highway & Transportation Department – Food Purchase for County Workers

On April 4, 2023, Dane County Highway Department personnel attended an entire day of training at the East Side Campus. Training provided included Mine Safety, Utility, Active Shooter, CDL and Work Zone Training, and other general safety training topics. Our Mechanics also received special break out training during highway worker specific training.

In recognition of our employees' dedication and service to Dane County, we provided morning break and lunch for our highway personnel.

The same vendors were used as in past training events such as the 2022 Fall Snow Rodeo, however, based on the final bills costs exceeded the \$10 limit per person allotment. I request permission to provide food to county workers within Dane County (Co. Ord. 20.14(3)).
