Re: Contracted Cleaning Service Usage at the AEC

No contracted cleaning services have been used since October 8, 2023 at the conclusion of the World Dairy Expo.

For reference, included in this packet are the following documents which help to explain the use of contracted cleaning service at the AEC:

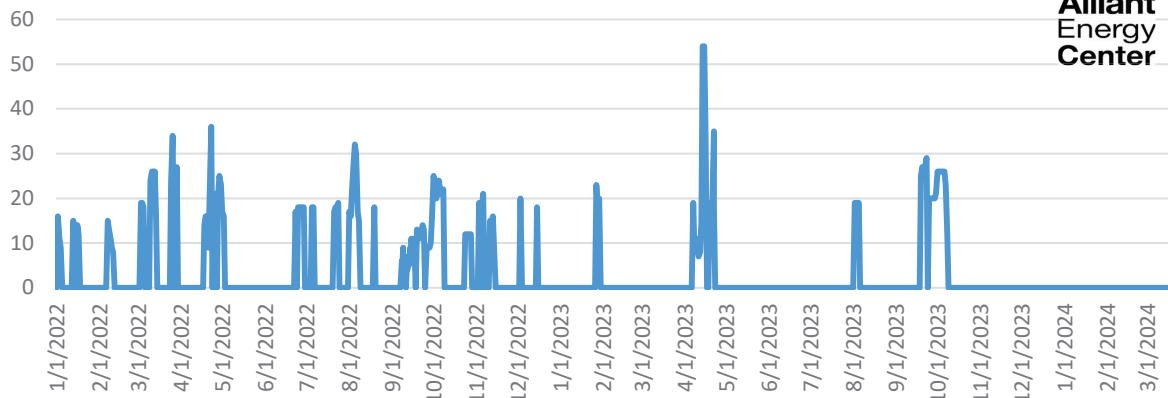

1. Charts representing use of contracted cleaning staff
 - a. Number of contracted cleaning staff per day
 - b. Number of hours of contracted cleaning per day
 - c. Number of 8 hour contacted cleaning shifts per day
2. Chart and data for labor hours by large event 2019-2023 to provide a historical comparison. AEC FTE, AEC LTE and contractor hours are represented.
3. Dollars spent with A&L, cleaning contractor, January 1, 2022-March 22, 2024.
4. A&L Cleaning spreadsheet containing data about each day January 1, 2022-March 22, 2024.

The AEC currently has the following operations staff allocation:

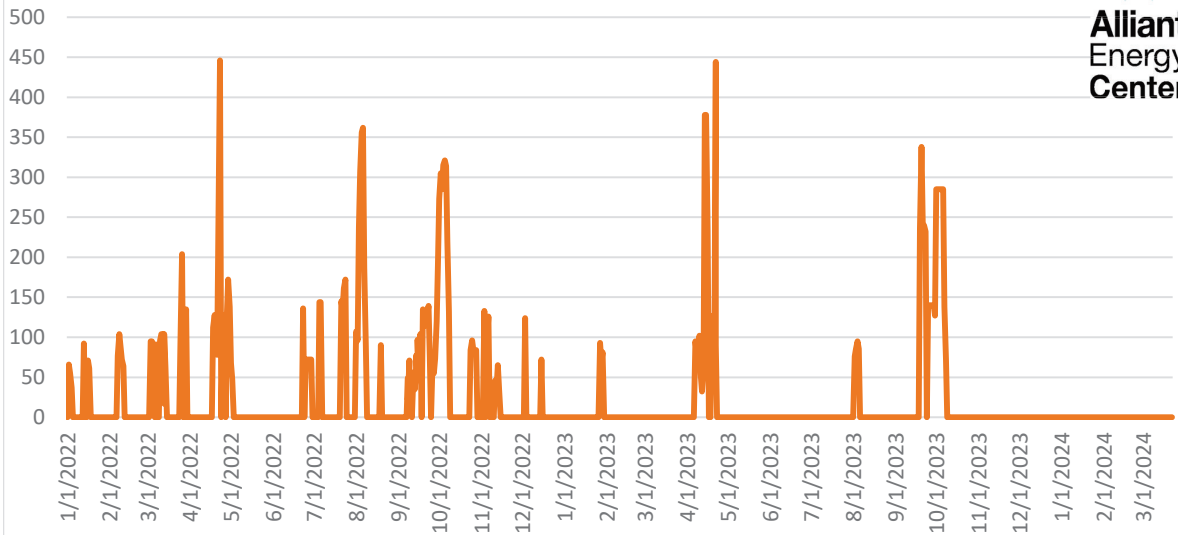

16 FTE Center Workers (2 additional Center Workers are budgeted to start 7/1/2024)
2 FTE Center Lead Workers
2 FTE Crew Leaders

Additionally, 11 LTE Center Workers are currently on staff at the AEC.
