STANDARDS FOR CONDITIONAL USE PERMITS

Applicants must provide adequate evidence demonstrating to the Town and Dane County Zoning & Land Regulation Committee that the proposed conditional use satisfies the following 8 standards for approval, along with any additional standards specific to the applicable zoning district or particular use found in sections 10.220(1) and 10.103 of the code.

Please explain how the proposed land use will meet the following standards (attach additional pages, if necessary): 1. The establishment maintenance or operation of the conditional use will not be detrimental to or endanger the public health, safety, comfort or general welfare. 2. The uses, values, and enjoyment of other property in the neighborhood for purposes already permitted shall be in no foreseeable manner substantially impaired or diminished by establishment, maintenance or operation of the conditional use. 3. The establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district. 4. Adequate utilities, access roads, drainage and other necessary site improvements have been or are being made to accommodate the conditional use. 5. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets. 6. That the conditional use shall conform to all applicable regulations of the district in which it is located. 7. The conditional use is consistent with the adopted town and county comprehensive plans. 8. If the conditional use is located in a Farmland Preservation (FP) Zoning district, the conditional use is subject to the following additional standards found in section 10.220(1). Attach additional pages, if necessary. Explain how the use and its location in the Farmland Preservation Zoning District are consistent with the purposes of the district: Explain how the use and its location in the Farmland Preservation Zoning district are reasonable and appropriate, considering alternative Explain how the use is reasonably designed to minimize the conversion of land from agricultural use or open space use: Explain how the use does not substantially impair or limit the current or future agricultural use of surrounding parcels zoned for agricultural use: Explain how construction damage to land remaining in agricultural use is minimized and repaired, to the extent feasible:

WRITTEN STATEMENT OF INTENT AND OPERATIONS PLAN

Applicants must provide a detailed written statement of intent describing the proposed conditional use along with an operational plan that explains how the conditional use will be operated. Please use the form below and provide responses, as applicable, to your proposed conditional use. Attach additional pages, if necessary.

Describe in detail the proposed conditional use. Provide the specific location of the use(s), type of equipment used, planned property improvements, including description / size of existing or proposed new buildings to be used, and any other relevant information. For existing or proposed commercial operations, provide the name of the business and describe the nature and type of business activity.
List the proposed days and hours of operation.
List the number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time.
List any anticipated noise, odors, dust, soot, runoff or pollution associated with the conditional use, along with any proposed measures that will be taken to mitigate impacts to neighboring properties.
Describe any materials proposed to be stored outside and any activities, processing or other operations taking place outside an enclosed building.
For proposals involving construction of new facilities and/or infrastructure, describe, as applicable, any measures being taken to ensure compliance with county stormwater and erosion control standards under Chapter 11 of Chapter 14 , Dane County Code.
List and describe existing or proposed sanitary facilities, including adequate private onsite wastewater treatment systems, associated with the proposed conditional use. For uses involving domestic pets or livestock, list and describe measures taken to address manure storage or management.
List and describe any existing or proposed facilities for managing and removal of trash, solid waste and recyclable materials.
Describe anticipated daily traffic, types and weights of vehicles, and any provisions, intersection or road improvements or other measures proposed to accommodate increased traffic.
Provide a listing of any hazardous, toxic or explosive materials to be stored on site, and any spill containment, safety or pollution prevention measures.
Describe any existing or proposed outdoor lighting along with any measures that will be taken to mitigate light-pollution impacts to neighboring properties. The Zoning Administrator may require submittal of a photometric plan for outdoor lighting if deemed necessary to determine potential impacts to neighbors.
Describe any existing or proposed signage, including size, location, and materials, consistent with the county's sign ordinance found in s. 10.800 .
Briefly describe the current use(s) of the property on which the conditional use is proposed.
Briefly describe the current uses of surrounding properties in the neighborhood.

APPLICATION CHECKLIST FOR A CONDITIONAL USE PERMIT

A scaled site plan and detailed operations plan must be submitted with your Conditional Use Permit application. Please use the checklist below to ensure you are submitting all required information applicable to your request. Please attach to your application form the required maps and plans listed below, along with any additional pages.

☐ SCALED SITE PLAN. Show sufficient detail on 11" x 17" paper. Include the following information, as applicable:
☐ Scale and north arrow.
☐ Date the site plan was created.
☐ Existing subject property lot lines and dimensions.
☐ Existing and proposed wastewater treatment systems and wells.
☐ All buildings and all outdoor use and/or storage areas, existing and proposed, including provisions for water and sewer.
☐ All dimension and required setbacks, side yards and rear yards.
□ Location and width of all existing and proposed driveway entrances onto public and private roadways, and of all interior roads or driveways.
☐ Location and dimensions of any existing utilities, easements or rights-of-way.
☐ Parking lot layout in compliance with s. 10.102(8).
□ Proposed loading/unloading areas.
☐ Zoning district boundaries in the immediate area. All districts on the property and on all neighboring properties must be clearly labeled.
☐ All relevant natural features, including navigable and non-navigable waters, floodplain boundaries, delineated wetland areas, natural drainage patterns, archeological features, and slopes over 12% grade.
□ Location and type of proposed screening, landscaping, berms or buffer areas if adjacent to a residential area.
☐ Any lighting, signs, refuse dumpsters, and possible future expansion areas.
□ NEIGHBORHOOD CHARACTERISTICS. Describe existing land uses on the subject and surrounding properties:
Provide a brief written statement describing the current use(s) of the property on which the conditional use is proposed.
☐ Provide a brief written statement documenting the current uses of surrounding properties in the neighborhood.
COMPONED IN AN AND MADDATIVE Day that a day that a fall of the control of the con
☐ OPERATIONS PLAN AND NARRATIVE. Describe in detail the following characteristics of the operation, as applicable:
☐ Hours of operation.
☐ Hours of operation. ☐ Number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time.
 ☐ Hours of operation. ☐ Number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time. ☐ Anticipated noise, odors, dust, soot, runoff or pollution and measures taken to mitigate impacts to neighboring properties.
 ☐ Hours of operation. ☐ Number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time. ☐ Anticipated noise, odors, dust, soot, runoff or pollution and measures taken to mitigate impacts to neighboring properties. ☐ Descriptions of any materials stored outside and any activities, processing or other operations taking place outside an enclosed building.
 ☐ Hours of operation. ☐ Number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time. ☐ Anticipated noise, odors, dust, soot, runoff or pollution and measures taken to mitigate impacts to neighboring properties. ☐ Descriptions of any materials stored outside and any activities, processing or other operations taking place outside an enclosed building. ☐ Compliance with county stormwater and erosion control standards under Chapter 11, Dane County Code.
 ☐ Hours of operation. ☐ Number of employees, including both full-time equivalents and maximum number of personnel to be on the premises at any time. ☐ Anticipated noise, odors, dust, soot, runoff or pollution and measures taken to mitigate impacts to neighboring properties. ☐ Descriptions of any materials stored outside and any activities, processing or other operations taking place outside an enclosed building. ☐ Compliance with county stormwater and erosion control standards under Chapter 11 of Chapter 14, Dane County Code. ☐ Sanitary facilities, including adequate private onsite wastewater treatment systems and any manure storage or management plans approved by the Madison and Dane County Public Health Agency and/or the Dane County Land and Water Resources Department.

Conditional Use Permit for 124 Main Street, Black Earth, WI

Current use of property:

The property at 124 Main Street, Black Earth, WI is currently our primary residence, and

the proposed use is as a short-term rental through Airbnb.

Neighborhood characteristics:

The neighbors to our east own about 80 acres of corn field/soybeans. They also operate

a landscaping company, which is the only other address on Main Street.

There are only a total of 4 homes on Center Street, which intersects with Main Street.

Our home is set far back from the road, with a long driveway which keeps our noise and

lights very distant from any neighbors.
