

**Dane County Board of Supervisors
Amending Chapter 11 of the Dane County Code of Ordinances
Wetland Inventory Map Amendment Petition # 12058**

Dane County Board of Supervisors does ordain as follows:

The proposal to amend the Shoreland-Wetland and Inland-Wetland Inventory Map as referenced under Dane County Code of Ordinance Section 11.06 shall be DENIED for the reasons stated below.

Town Map: Town of Vienna

Location: Section 21

Property changed to NON-Wetland Status

The Northwest $\frac{1}{4}$ of the Northwest $\frac{1}{4}$ of Section 21, in Township 9 North, Range 9 East, in the Town of Vienna, Dane County, Wisconsin. (Tax Parcel number 0909-212-8500-7) and That part of the Northeast $\frac{1}{4}$ of the Northwest $\frac{1}{4}$ of Section 21 lying West of the centerline of Schumacher Road, in Township 9 North, Range 9 East, in the Town of Vienna, Dane County, Wisconsin. (Parcel number 0909-212-8140-0)

The County Board **denies** the request.

Reasons for Denial:

1. The applicant provided very little evidence regarding meeting the standards for removal of wetlands from the inventory maps. The property can be reasonably used for cropping in low water years without drain tile.
2. The property is currently in violation due to the installation of a drain tile system on the property.
3. The wetlands on the property provides a filter for the storm water that is released from the Maier Farm cattle barn, located south of the property.
4. The removal conflicts with many of the Dane County Comprehensive Plan and Town of Vienna Comprehensive Plan environmental policies.
