SUBJECT: File No: 16-26
Surveyor:

The following survey of lands was received and examined by this department:

Section 7, Town of Verona

Owner/Development: Prairie Circle Lot Splits

Comments:

The new and proposed lot splits along Prairie Circle, a cul-de-sac, that intersects with CTH PD will create additional traffic requiring improvements to be made at the intersection. These improvements include a 200 foot turn lane and a passing lane.
