C. Action Items

Base Hospital Training Plan

The group discussed best plan to train on the base hospital concept. Meier presented a brief abbreviated powerpoint that could be used annually to review the process. The group agreed this shortened presentation is helpful with the option of using the more detailed presentation. Discussion also included the benefit of having the training recorded online but also a train the trainer opportunity so each agency can have a local expert on the topic. We will also continue with monthly radio drills using the base hospital concept with hospitals.

D. Presentations

E. Reports to Committee

F. Future Meeting Items and Dates

The group discussed warm zone changes being discussed throughout the county. We will add this to the March agenda for discussion and next steps. It was also suggested that an update from 911 regarding danecom and prealerting would be beneficial.

G. Public Comment on Items not on the Agenda
