

Criminal Justice Council 2017 Top Initiative Survey Results

Eight of nine subcommittee members responded to a survey asking to rank what they think the CJC-RD's 2017 initiatives should be.

The top two initiatives were found by added up number of votes each initiative received for top priorities (ranked 1 or 2). The two highest initiatives ranked by the CJC-RD Subcommittee are Reentry and Prevention. Pre-Trial Reform was third, followed by Bench Warrants.

Other Suggestions:

“Increasing Jury pool racial diversity”

“Continue to implement the 30 recommendations from the workgroup”

“Program innovation for people with drug dependency”
