Subject: RE: Updated references
Date: Wednesday, September 13, 2017 11:23:36 AM

Brian:

I have reviewed our current Adult Entertainment Overlay District Ordinance as has counsel for our insurance carrier. The substantive provisions of the ordinance are a reasonable time, place and manner restriction and are constitutional. I have added some additional references to evidence of the negative secondary effects of adult entertainment establishments. These should be made available to all committees and the County Board for consideration when this provision is readopted.
