FUND COP SERVICES FOR PARTICIPANT RECEIVING RECUPERATIVE SERVICES IN AN INSTITUTION (UP TO 90 DAYS).

The purpose of this variance is to maintain a participant's support network during relatively brief institutional stays. No variance is needed for recuperative stays of 30 days or less. When a recuperative stay exceeds 30 days a variance is necessary to allow the use of COP funds to continue to pay for noninstitutional community service expenses for up to 90 days for current COP recipients.
