

CITY OF MADISON AFFORDABLE HOUSING UPDATE

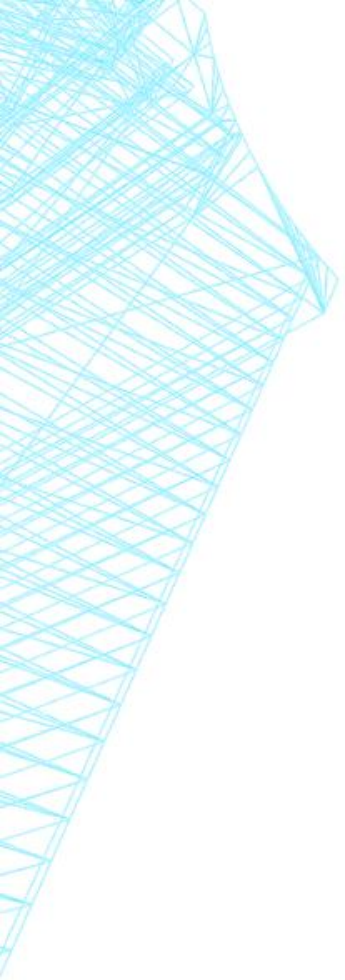

September 2017

AFFORDABLE HOUSING NEED

- Annually 3,000-4,000 people are served by our shelter system
 - 1 in 3 are children
- 50% of renters pay more than 30% of their income in rent
- 30% of renters pay more than 50% of their income in rent

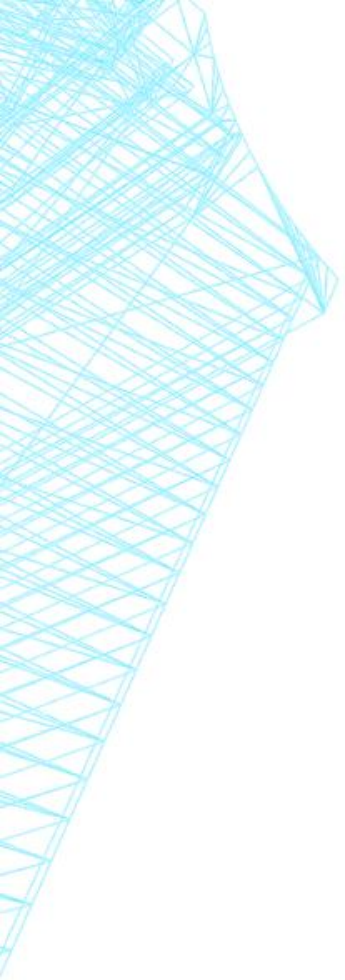

AFFORDABLE HOUSING STRATEGY

1. Coordinate and leverage all available funding sources across all City agencies, State, and federal programs

***Especially Low-Income Housing Tax Credits from WHEDA**

2. Proactively seeking partnerships with private developers to address housing challenges
3. Create the ***Affordable Housing Fund*** with ongoing City financial support

AFFORDABLE HOUSING GOALS

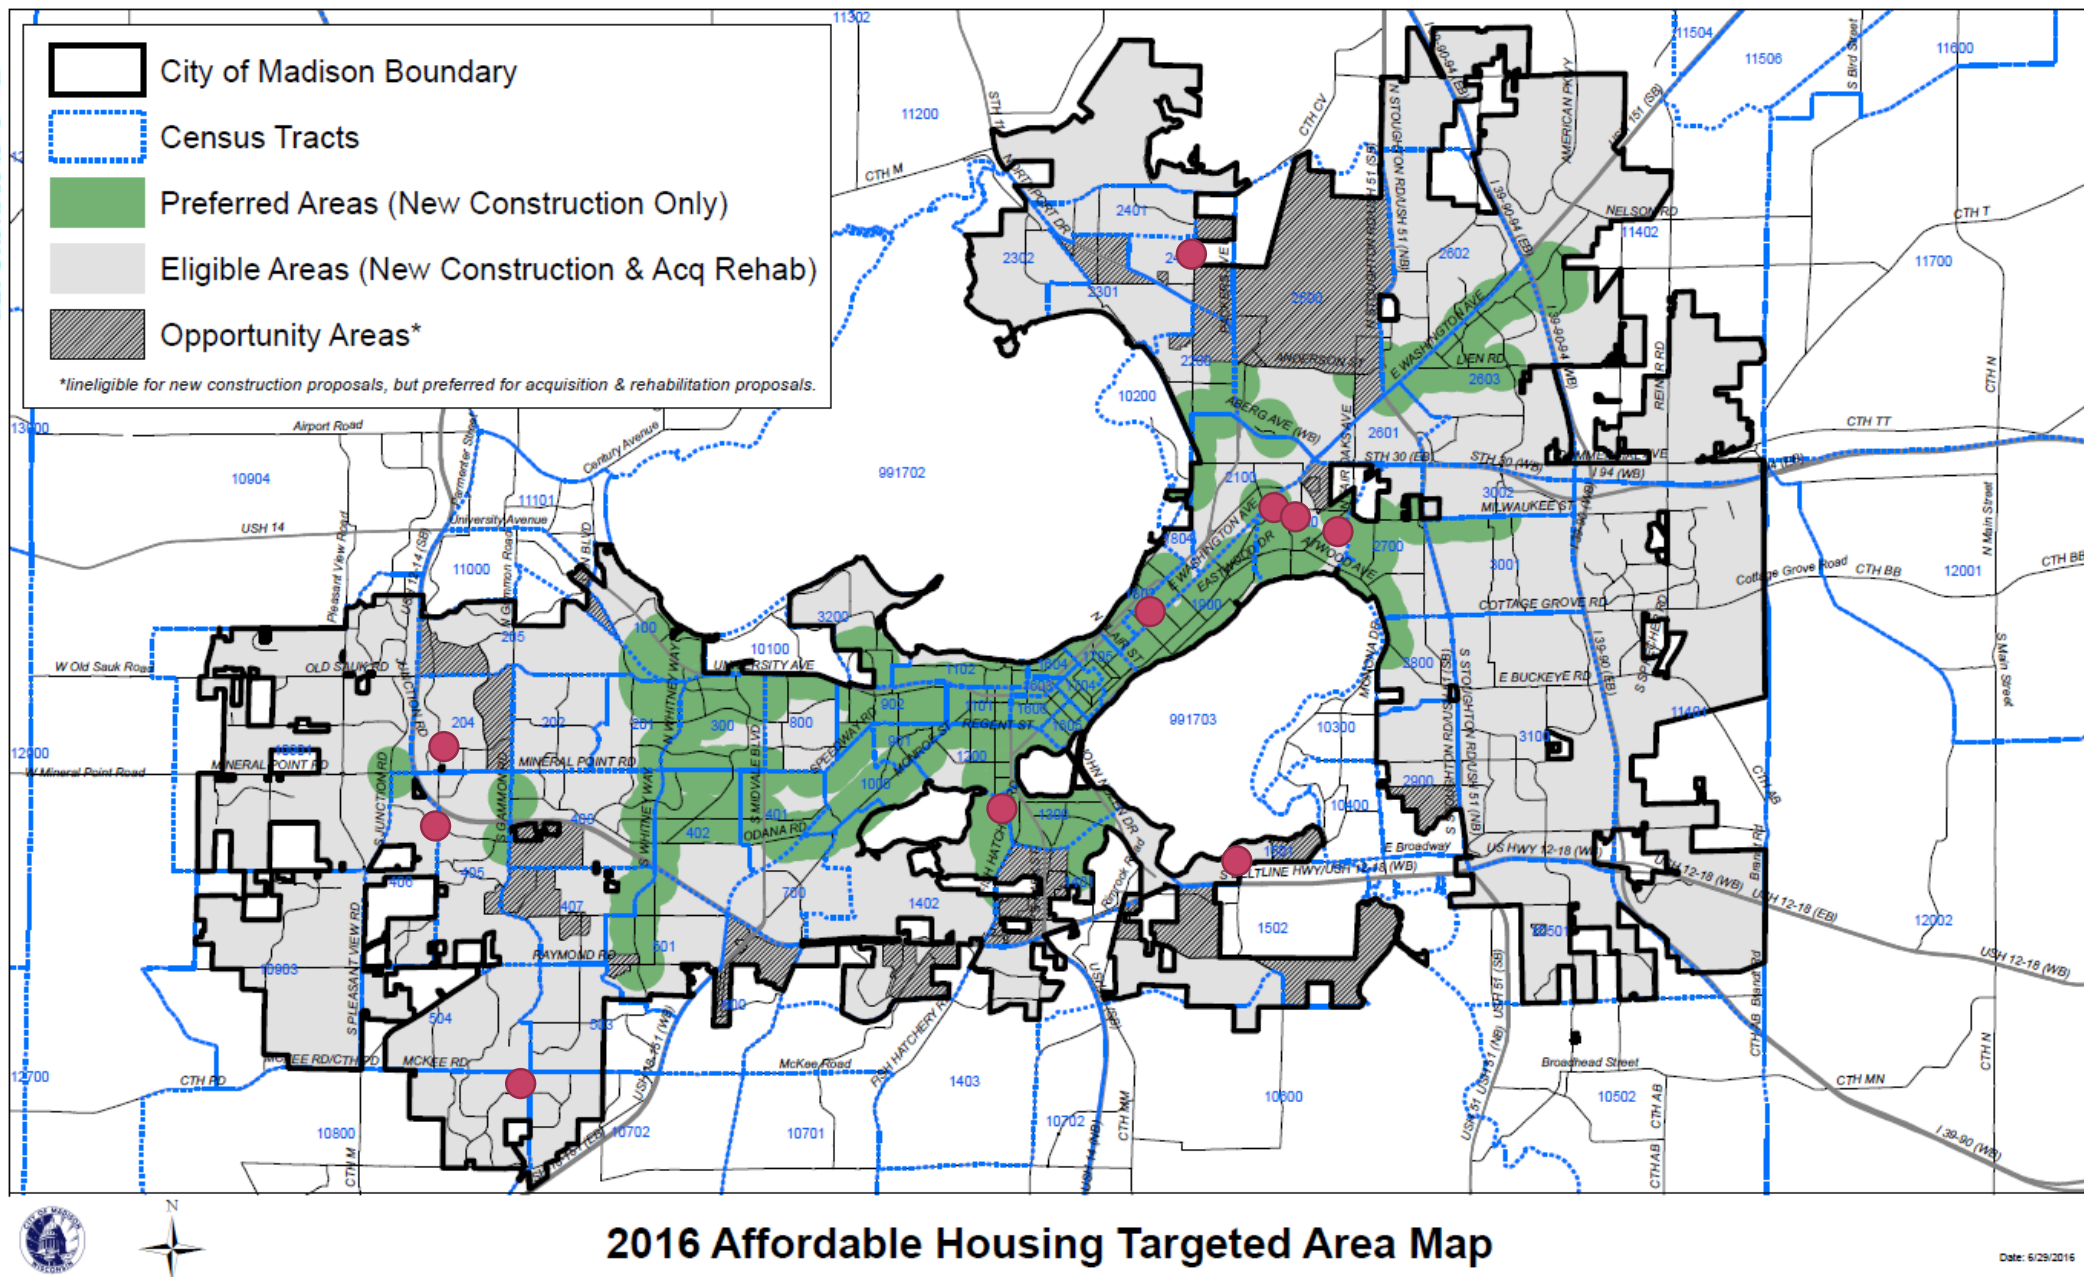

- Make a \$4.5million per year commitment to the Affordable Housing Fund
- Support the creation of approximately **250 units of Permanent Supportive Housing over 5 years**
- Support the creation of an additional **750 units of affordable rental housing over 5 years**
