¹ APS and Elder Justice Initiative funding are included in the total for Elder Rights Support Activities.

² CDSME, Falls Prevention and Alzheimer's Disease programs receive funding in the House bill via an appropriation, rather than historic Prevention and Public Health Fund (PPHF) allocation. Senate bill still allocates PPHF resources to these programs.

³ House bill also proposes to transfer SCSEP from DOL Employment and Training Administration to ACL.

⁴ Total Administration request for OAA nutrition programs is \$838 million, which is equal to the total the three programs received in FY17.
