

Sequential Intercept Model (SIM) Report: How Dane County is Moving Forward

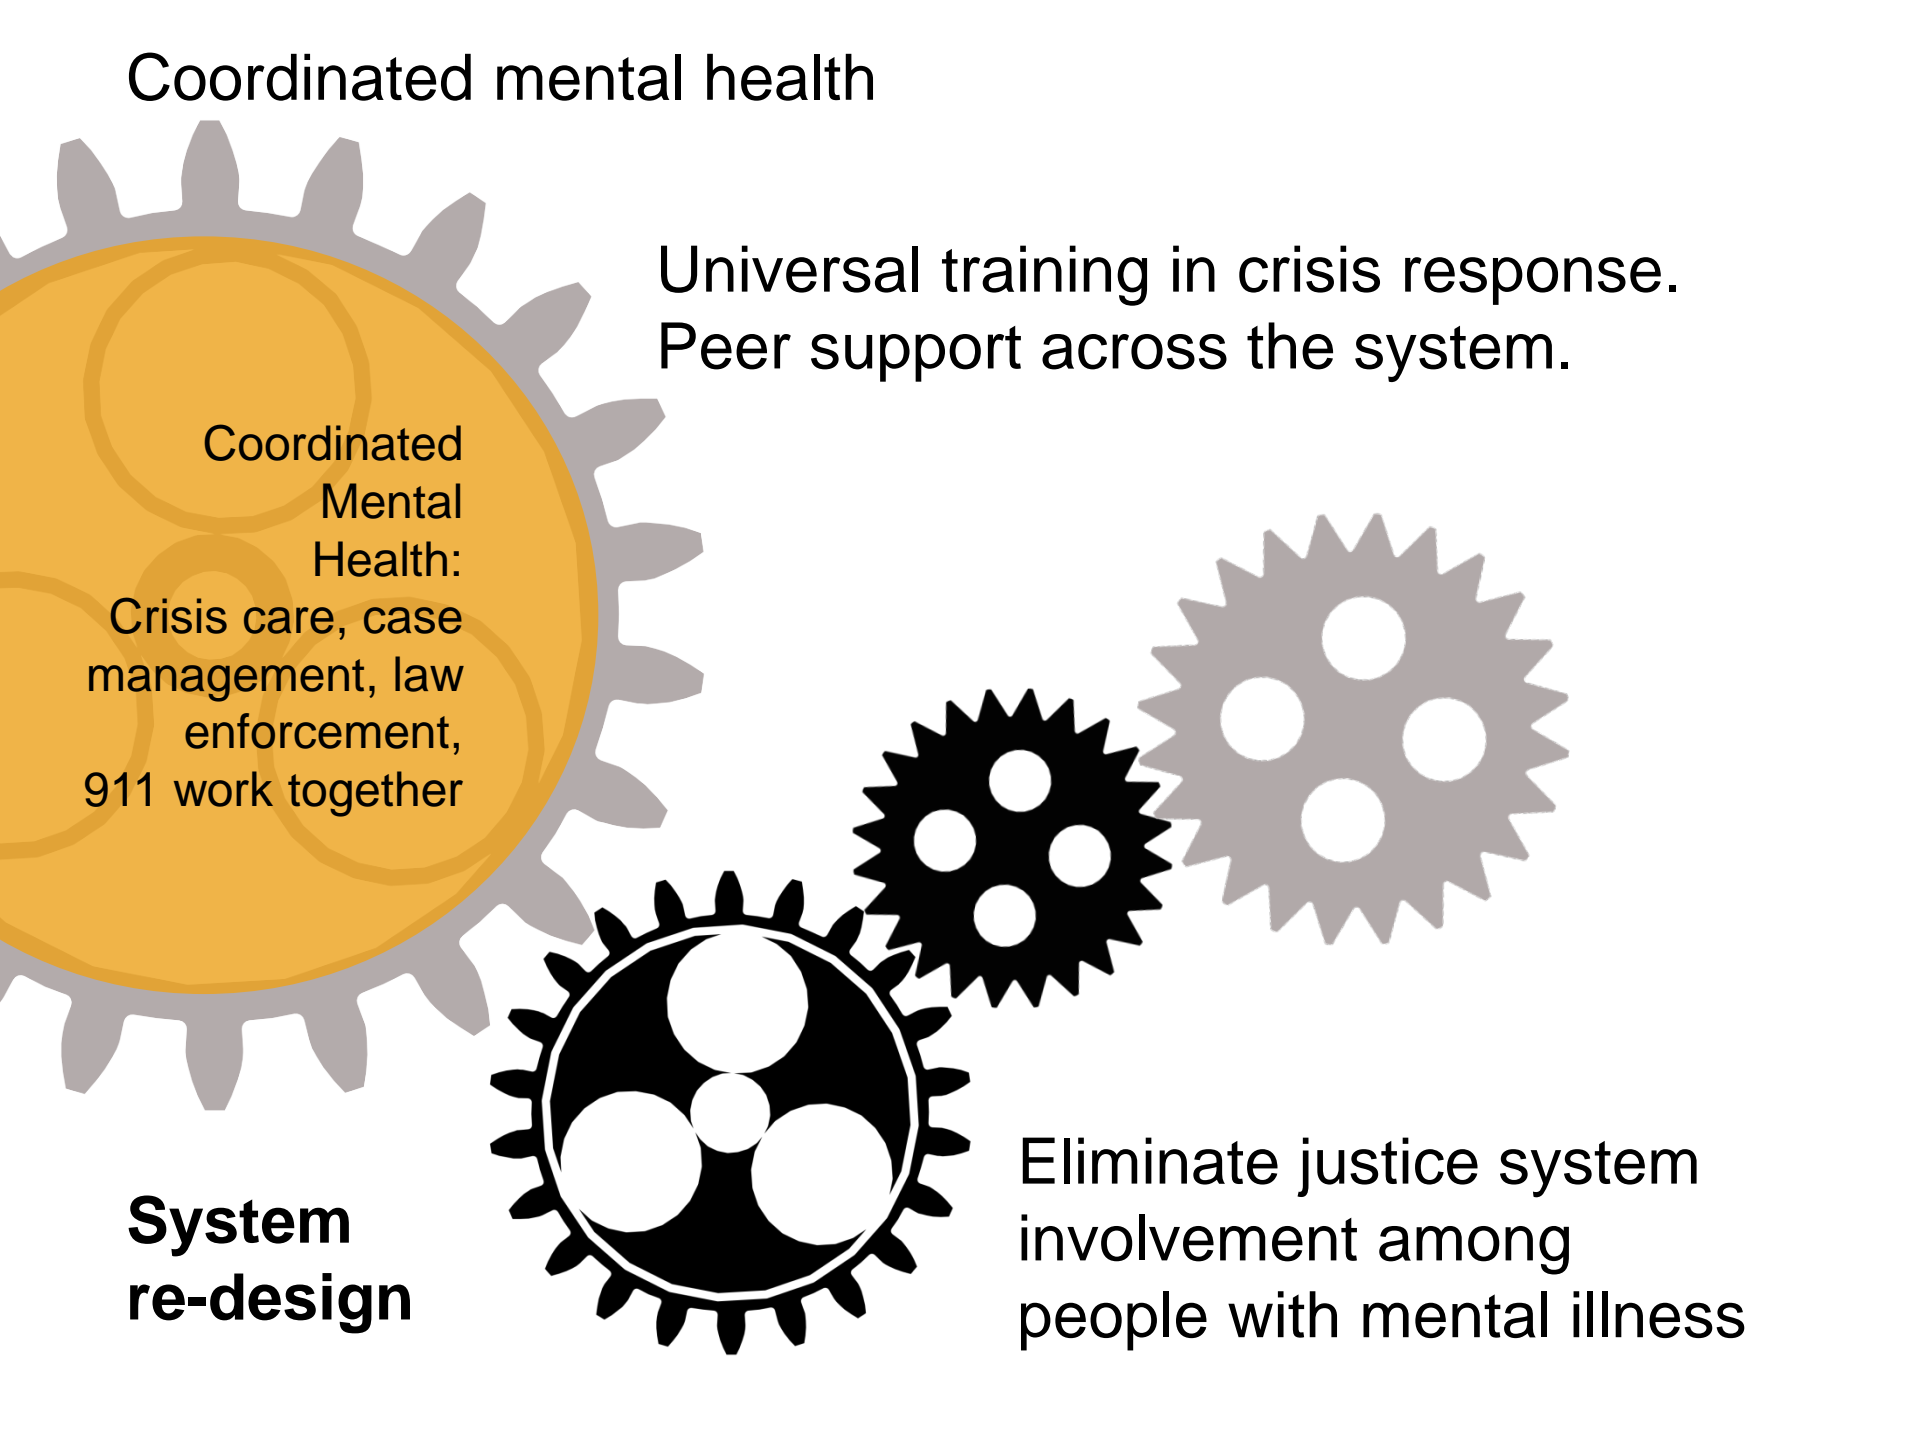

Prepared for the Dane
County CJC
April 26, 2018

Mental health study

Coordinated mental health

Universal training in crisis response.
Peer support across the system.

The diagram features four interlocking gears of different sizes and colors. On the left is a large orange gear with a grey shadow. To its right are three smaller gears: a black one at the bottom, a black one in the middle, and a grey one at the top right. Each gear has three white circles in its center. The text is distributed around these gears.

Coordinated
Mental
Health:
Crisis care, case
management, law
enforcement,
911 work together

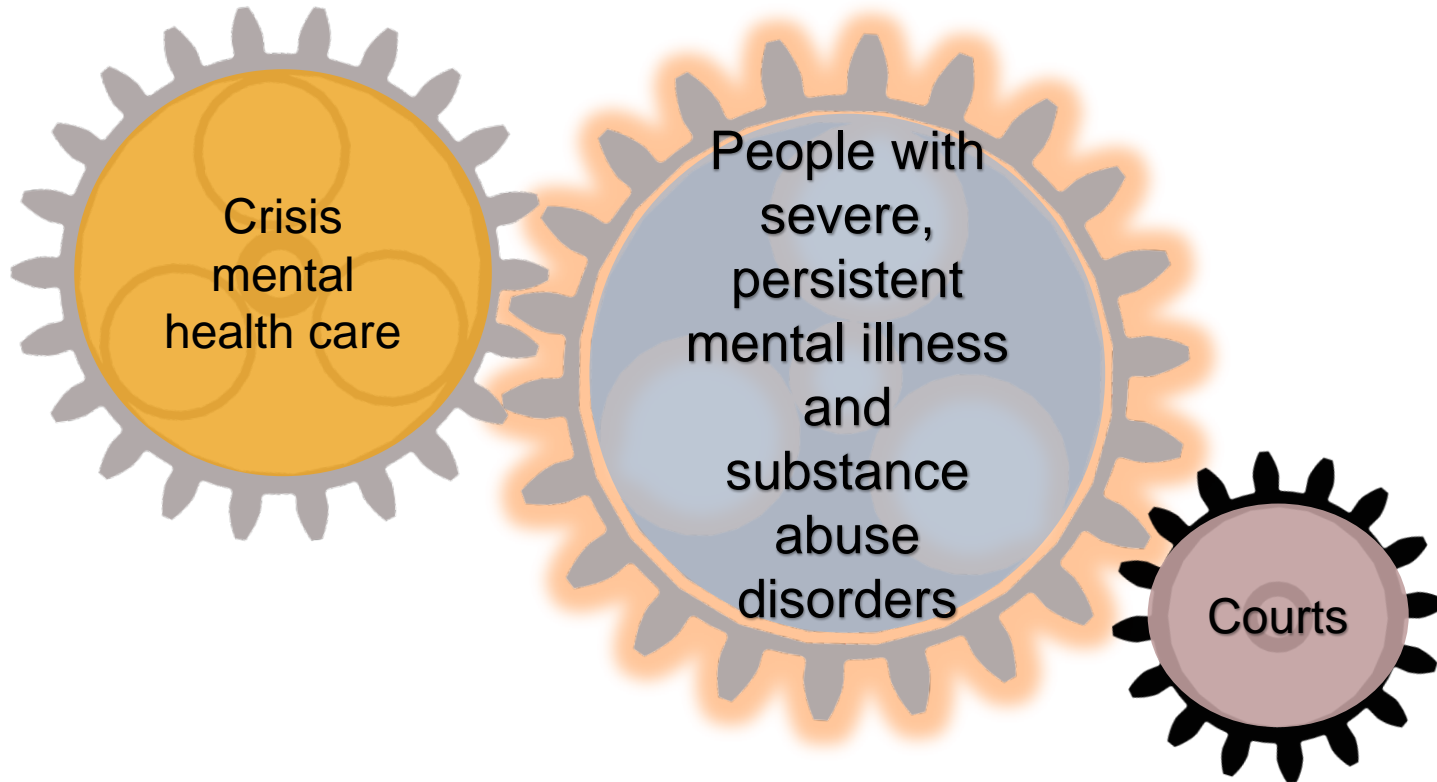

**System
re-design**

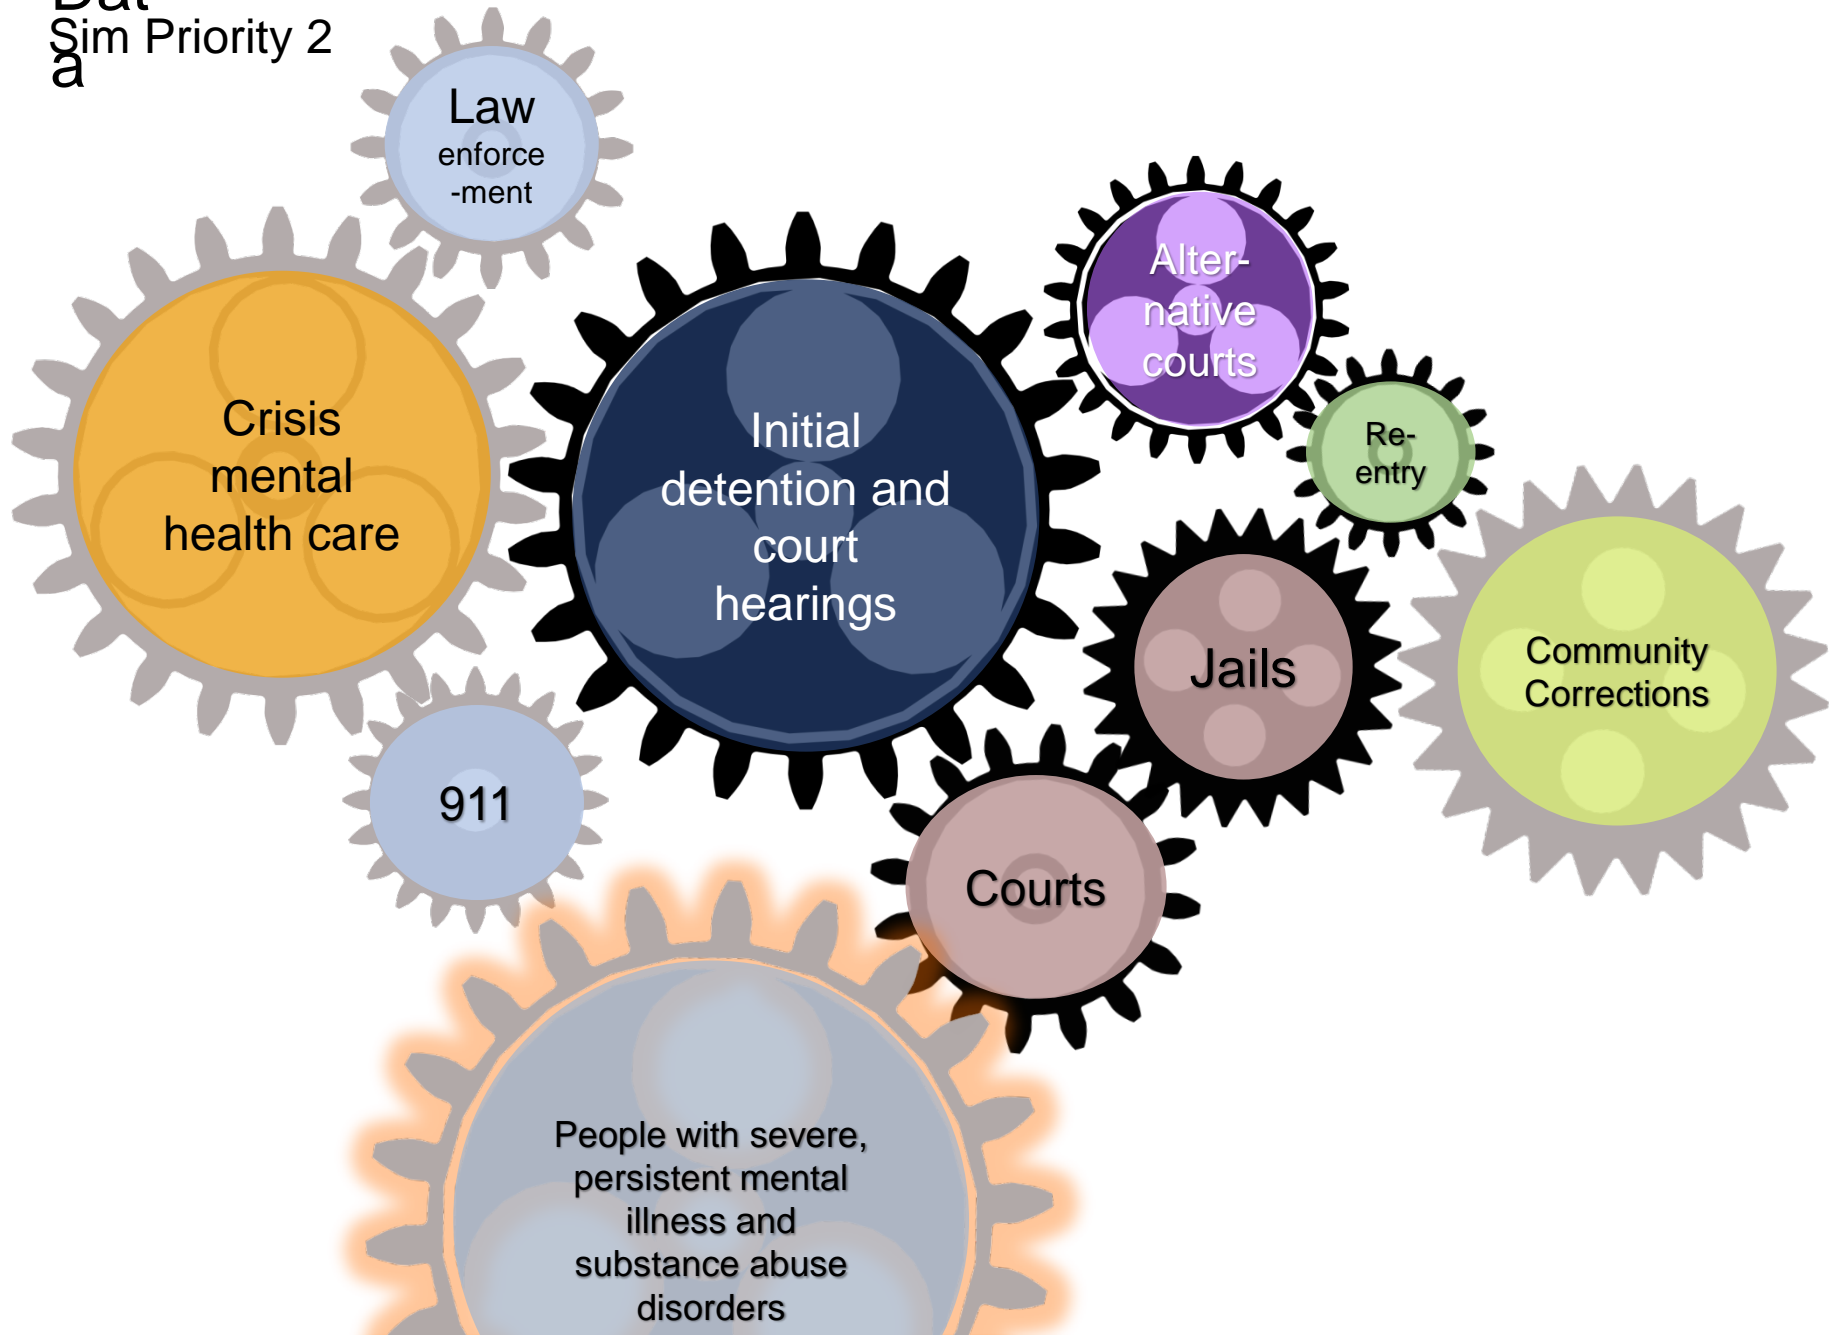

Eliminate justice system
involvement among
people with mental illness
