Approval of Triage Training Materials and Dates of Training

The committee discussed the training plan. All felt that a Train the Trainer option and a videoed training were both needed. There is a state approved training out of Milwaukee available to anyone looking for immediate training on SALT. RTAC can assist with the curriculum, equipment and the Train the trainer session but would not be able to go out to every agency to train. Goal will be to have all agencies trained by the end of the year. Workgroup to pull together the training: Dan Jen, Carrie, Steve, Chris, Jeff, Eric.

Base hospital was discussed briefly and it was suggested that we ask Base Hospital to expand the radius of hospitals depending on location of the incident. Meier will take this suggestion to Interhospital for discussion and bring back to the committee.
