Vacancy Status Key

RTF Not Yet Submitted:

A Request to Fill (RTF) for the position has not yet been entered.

Requisition Submitted:

Department has entered a request to fill the position, but the request has not yet been approved. A position may not be approved to fill for a number of reasons - including missing paperwork or lack of funding. Employee Relations has not assigned these positions to an HR Analyst yet.

Recruitment in Progress:

This status indicates that Employee Relations (ER) is doing one of three major activities: First, ER works with Departments to update the position description and announce the vacancy/recruitment. Second, ER screens candidates for minimum qualifications. Third, ER score all candidates that meet the minimum qualifications and certify a list of names to the Department.

List sent to Department:

Employee Relations has certified a list of names and sent it to the hiring manager. Upon receiving a certified list, hiring managers are responsible for scheduling interviews and making offers to candidates.

Department Cancelled Requisition:

Departments cancel requisitions for a number of reseasons. The primary reasons are when the Department has exhausted the list of candidates sent to them or when the Department wants to make a change to the position and the Department needs to restart the recruitment process.

Will Start (Date):

A candidate has accepted the position but has not yet started working for the County. The start date for the candidate is listed. The data in this report is from the payroll system and lags two weeks behind real time. For example, a position that starts on 4/30/2018 is not reflected as filled until the next report.
