

# HIGH SCHOOL MINI COURSES 2ND QUARTER 2018

GOODMAN COMMUNITY CENTER

**MONDAY: EDUCATION & INSTRUCTION** 

Youth will develop creative confidence through participation in challenge-based learning, coding and fabricating activities. This club combines art, technology, engineering and do-it-yourself culture. Over the course of the club youth will create, tinker, fix, modify, collaborate and show off their creations. Through a partnership with DaneNet students will have a variety of opportunities to practically apply their newly acquired skills.

#### **TUESDAY: COMMUNITY ENGAGEMENT**

Teen Leadership Council is comprised of a group of Goodman teens who are leaders and train other youth leaders to be productive change agents at the Goodman community center and in the community by participating in community service projects, volunteering and social justice initiatives.

## MINI COURSES 2ND QUARTER 2018

**WEDNESDAY: HEALTH & WELLNESS** 

Goodman's partnership with the Fit Youth Initiative ensures that we have access to a variety of active options that students can participate in here at Goodman Community Center and throughout Madison. activities. Our rotation of weekly activities will include: Soccer, basketball, bowling, and dodge ball.

## MINI COURSES 2ND QUARTER 2018

THURSDAY: IDENTITY

This mini course explores urban arts and its affect on youth around the world. Our particular focus this semester is on music. Kings of Culture provides youth the opportunity to discuss and delve deeper into the arts. Teens are encouraged to become producers of art instead of consumers. This space will also allow for learning opportunities related to media literacy.
