On February 18, 2018, the Dane County Zoning and Land Regulation (ZLR) Committee reviewed a letter requesting the revocation of CUP #2175. The conditional use permit was issued in 2011 which allows for the operation of a concrete batch plant at 2294 US Highway 12/18. At the meeting, the ZLR Committee decided not to pursue the request for revocation.

The decision of the ZLR Committee was challenged in Dane County Circuit Court under Case Number 2018-CV-000817. Judge Reynolds heard the objection and referred the matter back to the Dane County Zoning and Land Regulation Committee with instructions to hold a public hearing on the possible revocation of CUP #2175 and render a decision with supporting reasoning.

The public hearing has been scheduled for the May 14, 2019 ZLR Committee meeting.
