Dane County Extension Office FoodWise
Federal Fiscal Year 2020

University of Wisconsin-Madison Division of Extension FoodWise program has been offering nutrition education programming to the SNAP/FoodShare-eligible residents of Dane County since 1969. During the period of October 2018 to March 2019, 581 educational sessions were held in Dane County reaching 1,808 unduplicated participants at locations such as WIC, Dane County Schools, MMSD Play and Learn Centers and Food Pantries. Participants learn to make healthy food choices, to manage their food dollars, and handle their food safely. We also work with community partners to make the healthy choice, the easy choice where our participants live, learn, work, shop and play.

Much of the cost to provide FoodWise educational programming is paid with the \$659,236.00 in federal funds that FoodWise is bringing into Dane County during this current year. FoodWise federal dollars pay the salaries, fringe benefits and direct teaching expenses for FoodWise colleagues in the Dane County office.

FoodWise relies upon our Dane County partners to provide office space and related overhead costs, as well as basic operating costs and resources such as Internet service, IT support and basic software, office telephones, shared supplies and equipment in the Extension Office. These contributions from Dane County are essential to FoodWise's work and presence in the County Extension Offices.

We ask that a representative of Dane County confirm continued support of the work of FoodWise by signing below.
