SUBJECT: Acceptance of an In-Kind Donation of a Painting

Dane County has had a long and active sister county relationship with Kassel, Germany. In 2017, artist Jennika Bastian represented Dane County at the EUARCA+ art show in Kassel. She has donated a painted reflecting that experience to the county. Last week, the City-County Liaison Committee approved hanging the piece outside of the chambers. Jennika will speak to the Board at its meeting on July 11<sup>th</sup>.

Section 7.14(10) of the Dane County Code of Ordinances states that, among the duties of the Personnel & finance Committee is: "Develop guidelines for and review and accept by motion recorded in its minutes proposed in-kind donations valued at over \$300, and report to the board on all proposals involving cash donations."

I am requesting the Personnel & finance Committee accept the gift of this painting to the county.
