

FAMILIAR FACES

FREQUENT UTILIZERS OF MULTIPLE SYSTEMS

AUGUST 2019

DATA DRIVEN JUSTICE

-NACO,ARNOLD VENTURES

- DDJ initiative brings communities together to disrupt the cycle of incarceration and crisis.
- Focusing efforts on frequent utilizers represents an opportunity for targeted, resource saving interventions that can improve health and well being.

MAKING SENSE OF THE MAZE

Staff team part of the DDJ—Best
Practices Implementation Academy—
2018

Sequential Intercept Model Training-
