Minutes - Draft

Emergency Medical Services - Medical Advisory Subcommittee

Consider:
Who benefits? Who is burdened?
Who does not have a voice at the table?
How can policymakers mitigate unintended consequences?

C. Discussion Items

2020 Protocols

Lohmeier updated committee on the public forums that took place to discuss protocol updates. The biggest feedback was the need to streamline the pages to make more readable and usable to field members. Lohmeier discussed the possibility of creating two diffrent versions: one small field copy and one large training guide. Committee discussed creating a quick reference for dosages. Committee discussed double sequential defibrillation and decided to leave it in the protocols as an option. Limiting the use of epinephrine was brought up, and will be discussed further.

Infection Control Handbook

Members have received positive feedback on the Infection Control Handbook. Lohmeier noted the next edition will include West Nile Virus and typhus.
