

**Bookmobile.**

We begin service to Bluff View in Sauk County on January 3. We will feature our Spanish collection and have Ricardo Marroquin, our resident native Spanish-speaker on board for the first couple of Saturdays to make the bus more approachable.

**Dream Bus.**

We began our 2020 schedule on January 2 at both East Madison Community Center and Sandburg Elementary. Included in the spring schedule are Tuesday and Thursday visits to Capital High, the alternative MMSD high school. Plans are in development for collaboration with Vilas Zoo.

**Friends report.**

The Friends received a \$500 membership from a Paoli resident. They will meet via phone early in 2020.

**Beyond the Page Ripple Project.**

We have located two possible venues for the Smithsonian exhibit *The Bias Inside Us* and are working on the application for hosting the exhibit early in 2021.

In January, a Ripple Project page at [www.beyondthepage.info](http://www.beyondthepage.info) will feature information about the project and instructions for presenter/performers/lecturers to submit applications for programs to be featured at libraries.
