RE: Updated Status of Little Cardinals Academy

To Whom It May Concern,

I would like to update you on our intentions at the Little Cardinals Academy to remove our management of the facility as soon as possible is still our goal. We were prepared to close the facility when our contract expired at the end of August but an option for Melissa and Kinglsely Gobourne to secure the future of the center became very viable.

Our organization, Mobius Holdings, Inc., then entered into a month to month lease with the current landlord as the option to allow the Gobournes to find the best path to step into the operations of Little Cardinals Academy..

Mobius Holdings, Inc is willing to hold the lease on a month to month basis to allow the Gobournes time to work out this transaction in an attempt to save the jobs our facility provides in addition to a school district's 4 year old kindergarten program and childcare for ages 6 weeks - 10 years of age.

Without the option for a lease takeover, it would be our intention to close the facility so we may focus on our childcare business in Mt Horeb.

Please feel free to call or email me with any questions you may have.

Warm regards,
Brenda Moore Fritz
