

Digitized file folders inquiry

There is no permission to do this at this time.

Commissioners can refer to Dane County Government Legislative Information Center or Legistar to view legislative information <https://dane.legistar.com/Calendar.aspx>.

Also, the County uses a Boards and Commissions module that is offered through the same company as Legistar that tracks committee member vacancies and terms, as well as where the public can apply for committees. <https://dane.granicus.com/boards/w/4d5ebc9bd2aa4f36>.
