Total 2019 VRWP Expenditures:

\$41,041

- 164 "Active" VRWP users (Commute Card and 31-Day Senior/Disabled passes)
- 62 "One-Time" passes issued to those ineligible for VRWP (needs-based situations)

*Starting in 2019, due to misuse of passes by some program participants and for programmatic consistency, we are being 100% firm with bus pass reissuance. Program eligible individuals must return their old passes to receive new passes. Three unreturned passes during a calendar year shall result in being suspended from the program for the remainder of the calendar year.
