(if applicable)

Additional description Varies by service area. Generally M-F 9:30 am to 2:30 pm.

#### **Service Requests** (Briefly describe how your service is requested for this project.)

Reservations are made at the designated service focal points in each community, generally the senior or community center. Reservation are accepted until 3:00 pm the previous business day.

# Passenger Eligibility (Briefly indicate passenger eligibility requirements for this project.)

Adults age 60+ and persons with disabilities. Add to Service Request above: 2020 reflects the increase in funds required due to greater transportation need to transport meals and supplies. The 2021 budget is based on resuming Rural Senior Group transportation service.

#### Passenger Revenue (Briefly describe passenger revenue requirements for this project.)

Passengers pay a fare of \$0.50/one way ride for nutrition, \$1.00/one way ride for in-town shopping, \$1.50/one way ride for adult daycare and \$1.50/one way rife for out-of town shopping. However, no one is denied service to nutrition and in-town grocery shopping because of inability to pay. Passenger fares are collected by the transportation provider and returned to Dane County to support the program.

General Project Summary (Provide a brief description of this project. Use ALT and Enter to start a new paragraph.)

This project includes 4 sub-programs:

- 1. The Medical Transportation Assistance Program (MedTrAsst).
- 2. The Client Transportation Assistance Program (RideLine).
- 3. The Older Adult Transportation Assistance Program (OATA).
- 4. The Rural Access Transportation Program (RA).

These sub-programs have different eligibility criteria, but all serve persons whose transportation needs are not met by other programs.

COVID: most individual rides are for medical appointments, cancer treatment, dialysis. Community Access is providing RSVP rides and Road to Recovery rides when these organization are not providing transportation. Funds from volunteer driver programs for mileage will be transferred to this program as needed. PPE used in vehicles and for drivers. Vehicles are cleanded following strict COVID cleaning protocols.

**General Project Summary** (Provide a brief description of this project. Use ALT and Enter to start a new paragraph.)

The Mobility Management project has two components: Transportation Call Center (CC) and Travel Training (TT). The CC is staffed by a Mobility Manager and is a single point-of-entry for transportation information in Dane County. Information on all available transportation resources is provided. Services include: identification on transportation availability; options counseling; introduction and referral to individual/group ride services; assessment, eligibility determination and ride authorization for specialized transportation; enrollment in travel training programs and follow-up assistance in maintaining mobility. Dane County offers two TT programs: Bus Buddy (BB) and Mobility Training (MT). BB utilizes qualified volunteers (RSVP) to train and accompany passengers on mainline routes. MT utilizes Occupational Therapy Aids (MTILP) to provide in-depth instruction on mainline bus use.
