

The background is a dark blue field filled with a complex network of glowing blue lines and dots, resembling a digital or neural network. Some lines are solid and bright, while others are dashed and dimmer. There are also some orange lines in the bottom right corner. The overall effect is one of connectivity and forward motion.

Moving Forward: Dane County Community Justice Center

Data and Planning

- + Data will be necessary for any consultant/expert to fully analyze the projected population and potential outcome measures.
- + Intentional discussion around criminal justice respondents, as well as community members who will use the services within the Community Justice Center
- + Racial Equity Lens
- + Early identification of data owners and collection methods

Pre-Planning and data will inform

- + RFP for the Justice Center of Dane County
- + Future Grant Applications
 - + BJA potential grant: Community Courts 2022
- + Local and National Foundations

Data Specifics

+ Client population demographics

+ Adult only? Or including youth justice?

⌋ + Name, DOB, Address, Race, Gender, Ethnicity, Address, Primary Language, Contact info, special needs, assessment data

+ *Discussion: Initial focus to include youth? If so, discuss data collection strategies and integration.*
