

2022 Library Reimbursement Scenarios

Scenario	Pros	Cons
1 Utilize 17/18/19 figures; recommended	<ul style="list-style-type: none">-Provides stability for libraries-Throws out 2020 circulation, which skews reimbursement data for 2022, 2023 & 2024-No increase for tax paying County residents	<ul style="list-style-type: none">-Overlooks formula for a year
2 Utilize 2020 circulation data	<ul style="list-style-type: none">-Follows formula-Favors Madison	<ul style="list-style-type: none">-Artificially skews per circulation cost upward-Skews 2022, ,2023 & 2024 data-Artificial increase for paying County residents
3 Utilitze 18/19 AVG	<ul style="list-style-type: none">-Uses known numbers-Provides some stability for libraries	<ul style="list-style-type: none">-Favors some libraries more than others-Somewhat hurts Madison
