| Procurement Exception List (place an "X" next to any that apply) | |
|--|---|
| | Emergency Procurement |
| X | Only one vendor possesses the unique and singularly available ability to meet the Department's requirements |
| | Unique and specific technical qualifications are required |
| | A special adaptation for a special purpose is required |
| | A unique or opportune buying condition exists |

| Provide a detailed explanation as to why the competitive bidding (RFB/RFP) process cannot be used. Also provide a detailed justification in relation to the Procurement Exception chosen: |
|--|
| <p>Worked with multiple vendors to identify and install low profile/footprint tanks needed to store oxygen onsite given setbacks, space limitation and site height restrictions. This vendor was the only supplier who could meet the needs at the site.</p> <p>Since the vendor supplied and installed the tanks and have access to the telemetry system, alternative vendors are not able to supply oxygen to these tanks.</p> |
