

## Bid Waivers and Equity Analysis

Suggested by County Board Supervisor Elena Haasl

Hi all,

I mentioned the 2022 bid waiver requests for 5 year contracts for nine different service providers at our meeting today. I definitely believe that as a commission, we should do an equity analysis on each of the service providers. From my knowledge, the Personnel and Finance committee talked about the bid waiver requests at their meeting this past Monday. The video for the meeting isn't up yet, but I will send it as soon as it's posted. Below, I have included the video of the Health and Human Needs meeting on 2/25. Around 21 minutes, the presentation for the bid waiver and RFP process begins, following questions from Sup. Wegleitner. I've also included Chp. 25 of the Dane County Ordinances which would be helpful for our equity analysis, should we choose to conduct one. Perhaps we can put this on our next meeting agenda?
