10 partnered with Second Harvest Food Bank since May of 2020 to address these needs.  
11 The county can ensure its most vulnerable populations continue to retain access to food  
12 by continuing a food program to supplement the resources available to supply food  
13 pantries. The American Recovery Plan provides the county to continue its partnership  
14 with Second Harvest.

15  
16 The county has developed a contract with Second Harvest Food Bank to provide  
17 \$10,000,000 over twelve months from August 2021 through July for the purchase of  
18 food and distribution to local food pantries.
