1. Activity Report

Director Jones provided the Activity Report. At close of April 2021, passenger numbers were up 1,491.3% over prior year with the Year to Date numbers down 42.2% on enplanements. We hope be at 60% of enplanements by year end. Staff has begun working on Air Service Development with both existing and new Airlines and destinations. Staff is also meeting with our local business partners. This continues to be a leisure lead recovery. We need to see business travel increase for a full return to pre-pandemic levels.
