August Director's Report

Bookmobile.

Summer has been busy on the Bookmobile! Patrons have embraced Summer Reading Program, prizes and crafts. In addition, we have Activity Bingo from Dane County Extension-Foodwise. Friday visits to the Zoo, Windsor and Taylor Prairie in Cottage Grove have kept us hopping.

The bus heads to LDV the week of August 23 for its annual tune-up. This is the time when LDV fixes our list of items that have accumulated throughout the year that aren't regular maintenance.

Dream Bus.

The Dream Bus has had an active summer with 16 stops per week and extra events at Madison Forward Games and Sun Prairie special events. We've had over 1,000 visitors to the Dream Bus since June 1.

Beyond the Page Ripple Project.

The Ripple Committee is assessing applicants for public programming in 2022. The proposals are exciting and different from events we have conducted in the past.

I've submitted a Letter of Intent to Madison Community Foundation for our Ripple Intern Project. If accepted, we will be invited to submit a full application.

All Regional Equity Teams are actively meeting and holding discussions about racial equity/social justice issues in their quadrants.

Bibliovention/Koha issues.

A platform upgrade was done on the night of 7/27; the system was down on 7/28 and unreliable on 7/29. LibLime is working on the issue.
