**Subject:** Fw: Dane County Redistricting update

Tom -

As you look at the map for the Town of Blooming Grove (which has further shrunk due to annexations), I'm hoping the county districts can be similar to what they've been: Districts 6 and 16.

If there's anything you need from me, just let me know.

Thanks!

Mike Wolf  
Clerk/Treasurer/Administrator  
Town of Blooming Grove, Dane County  
608-223-1104

**Subject:** Dane County Redistricting update

Dane County Clerks and Town Boards,

Greg Hyer, the DCTA representative on the Redistricting Commission and Chair of Cross Plains, asked me to send towns the following update. Greg would also like towns to know that any specific ideas/concerns regarding redistricting can be shared with him at [tcpchair1@tds.net](mailto:tcpchair1@tds.net) or (608) 320-3243. Comments about what municipalities towns would or would not like to be in a district with or general concerns are welcome. Please also consider submitting a map of your community.

Town Wilson, Clerk/Administrator/Attorney for the town of Westport, also serves on the Redistricting Commission. Tom was appointed to the Commission by the Dane County Clerk. He also welcomes comments, [twilson@townofwestport.org](mailto:twilson@townofwestport.org).

## Monthly redistricting news & updates

Sept 2021 | Issue 2

## Now is the time!

The Dane County Redistricting Commission is beginning work on the 2021 redistricting process. Throughout the month of September the Commission will be considering public map submissions and recommending three maps to members of the public.

## District Builder

The Commission is using an online software, called District Builder, for members of the public to draw maps for redistricting. It is free to use and the 2021 census data is available in the platform.

To learn more about the redistricting process as well as a how-to video to use District Builder, please visit here:

<https://www.danecountyplanning.com/Projects/Redistricting>

To submit a map, please go here:

[https://app.districtbuilder.org/o/dane\\_county](https://app.districtbuilder.org/o/dane_county)

Please contact Brian Standing, [standing@countyofdane.com](mailto:standing@countyofdane.com) with any questions.

## Participate in Redistricting!

Engaging the public in the redistricting process through District Builder keeps the process transparent and open. It helps ensure the districts will be drawn fairly and in a way that correctly represents the community.

Please complete your map submission no later than Sunday, September 19th.

Please share this information with others who may be interested in submitting a map for consideration.

## The Redistricting Commission

The Commission will be holding a public hearing on Thursday, September 23rd.

Information to connect to the virtual hearing will be available on the [County's Legislative Information Center](#) by Friday, September 17th.
