Good Afternoon Brian,

I would like to provide comments on the maps that are being consider by the commission. The Village of Cottage Grove would like to submit the following as the top three map choices as follows:

1. Map 3 – Brian Standing
2. Sam Fischer
3. Sam Kaufmann

The following reasons for these picks are that we would have one supervisory district to allow ease for voters and poll works to manage less ballot styles and also to insure that the County Supervisor would live within our community. Map 3-Brian Standings map would also allow for future growth in the village without causing issues with the aforementioned reasons.

Thank you for considering these comments.
