F. Future Meeting Items and Dates

1. Next EOC-Executive meeting will be on December 6, 2022.

For December 6 meeting, the Chair would like to invite County Clerk or Corporation Counsel to discuss items such as meeting if quorum is lost, quasi-judicial body, reports to committee, review documents etc. Vice-Chair commented that it is important conversation to explain to voting members, motion was previously in order and anyone can raise that order if they choose to raise that order. Greater context discuss motion without too much unsolicited interference and supports invite.

For November 9 meeting, the Chair would like to discuss Policy and Procedures guide. Madison EOC has same kind of judicial body of County EOC, similar responsibilities and duties, outline EOC as organization in terms of hearings, complaint processes in accordance with the ordinance that they govern. Prepare questions and look at a document.

Commissioner FISHER to take lead on how this could be adopted to go with what is needed. WEATHERBY-FLOWERS and FISHER may meet offline to create draft to work from and can provide draft to Corporation Counsel to get policy and procedure manual that can work for the body with staff input to guide how the commission functions. FISHER supports using framework from Madison Municipality EOC wants to structure framework at County level.

For future - have staff create a training that commissions can receive quasi-judicial authority and running effective meetings for equitable outcomes for work done across the county. It is our role as a commission, agency.
