Resolution 351 "Acceptance of a Grant Community Engagement Through Conservation Action and Storytelling in a Modular Exhibit Space at Henry Vilas Zoo". The \$300,000 grant (distributed in three installments) is for a 2-1/2 year project and is from Woodland Park Zoo. The grant "will be used to support the development and implementation of empathy-driven conservation at the Henry Vilas Zoo".

CLR Presentation

Edge of Africa-Giraffe exhibit will go where current rhino exhibit is and will be about half an acre in size, which is double the previous giraffe exhibit. The goal of this project is to bring back a herd of approximately three to five giraffes. Space can potentially offer a unique setting to host small events. Currently at the end of Phase 3.
