C. Action Items

D. Discussion Items

EMR Protocols

Lohmeier reports that the draft EMR protocols are on the website waiting for feedback with a goal of completion later this week. Then to the State for review with a January 1st date to begin use.

CO monitor and Recorded Communications Memos

Memos regarding CO monitors and recorded communications sent last month were distributed.

ALS Data Summary

Lohmeier summarized the data again for the group and plans to distribute it by email within the next two weeks. This will also be shared at the Commission and Association meetings in November. Once distributed more discussion will continue.

Infectious Disease Update

Lohmeier reports that two residents are working on a booklet detailing infectious diseases concerning to EMS. It will include mode of transmission, concerns, and treatment. The hospitals will also meet to discuss improving the process when an exposure occurs.

Kita reported that flu season is the main concern for EMS at this time from a public health perspective.

E. Reports to Committee

Hillebrand briefed the group on the State Legislative committee findings and proposed legislation.

The group was advised that PAAW would be having a podcast covering the details on Tuesday the 11th at 9am. Meier will email the committee the link.

Carbon reports that Pulsepoint continues to grow and there were two cases over the past week that experienced responders and one with an AED.
