E. Reports to Board

1. STATE & FEDERAL REPORT

Monica Snittler, Wisconsin Department of Health Services Senior Employment Coordinator, reported Congress passed a continuing resolution to extend current funding levels for the Senior Community Service Employment Program (SCSEP) and the State Health Insurance Assistance Program (SHIP) through the end of 2017. Funding for both programs was eliminated in the President's proposed 2018 federal budget.

2. BOARD MEMBER REPORTS

Barman-Paulson and Bunck attended seminars at the 2017 Aging and Disability Network Conference sponsored by the Wisconsin Department of Health Services. AAA Manager Cheryl Batterman stated the conference is scheduled to be held again in 2018, with plans to shift to a biennial schedule. She will forward the 2018 conference dates to Board members and solicit a list of 2017 Board and AAA committee member attendees in an effort to obtain useful information to share with those not in attendance.

3. BOARD MEMBERSHIP STATUS

County Board Supervisors Clausius, Downing, and Veldran stated Dane County Executive Joe Parisi's nomination to fill the AAA Board's open position has not reached the Board for approval.

4. CHAIR & STAFF REPORTS

Clausius reported Dane County department managers will present proposed 2018 budgets during the Board of Supervisors meeting on 12 September 2017. Director Lynn Green will present the proposed 2018 Dane County Human Services budget during a public hearing at Alliant Energy Center on 13 September 2017.

Batterman reported AAA staff recently placed phone calls to alert POS agencies of funding increases and decreases in the proposed 2018 AAA Budget. Staff will soon begin writing POS contracts.

Batterman reported the 2018 Dane County and AAA budgets will provide requested funding for four of AAA's seven identified priorities. Future advocacy will focus on securing funding for the other three priorities: 1. Adding a Case Manager in the South Madison Coalition of the Elderly service area; 2. Cultural Diversity; 3. Special Projects Fund. Members of AAA's Legislative/Advocacy Committee will meet with the County Executive and County Board Supervisors to solicit additional funding for those priorities in the 2018 County budget.
