Attachments: [February MAS minutes](#)

C. Action Items

Review and take action on Open Position Applications

Three applicants for three open positions - Spencer Sheskey for the Paramedic position, Blake Karnitz for the A-EMT position and Linda Ford for the EMT Basic. The group voted unanimously to welcome these members onto the subcommittee.

This was approved

D. Discussion Items

Workgroup Meeting Opportunity

The four workgroups broke into groups to discuss and determine 4 areas of work they would like to focus on in 2017. During the last 10 minutes the groups reported out.

System Health - work to complete quality assurance on three topics (pediatric airway, ketamine and lights/siren), culture of safety initiatives, protocols - create a system of reporting and tracking concerns thru the web. Work to add Sepsis alerts into our system of practice similar to Stroke. Improve the dashboard of the web or Elite platform to show more real time data.

Education/Training - sharing of trainings from around the county and look into scope updates (zofran, seizure meds, and nitrous oxide)

Community Engagement - discussion about overall attendance to psychological and mental health issues without the community and how EMS can impact this area. Community Medic/EMT legislation is moving forward and it was felt that this group could work on what this would look like in Dane County

Information Sharing - discussion about the website and how to improve its use. the group would like to have a way to push out urgent messages to providers in the County when needed. Also the group spoke about linking discharge diagnosis to EMS care reports to allow outcome feedback.

E. Reports to Committee

F. Future Meeting Items and Dates

Next meeting May 8th

G. Public Comment on Items not on the Agenda
