C. Action Items

EMS Strategic Visioning - Survey Approval

The Commission discussed questions/statements for the survey in depth. The 9 questions were finalized and then it was decided to send the survey to the following categories - EMS Chiefs/Directors, Local EMS Commission Members, Chief Elected Officials, Dane County EMS Commission members, Practicing EMS Providers and Agency Medical Directors. Meier will draft the survey in an online application, we will also make it available by paper by request. Timeline will be to have the survey distributed in September.

Meeting Dates/Times in 2018

The Commission will revisit this at the September meeting.

D. Presentations

Emergency Management - Budget 2018

Charles Tubbs reports that the Emergency Management budget has been submitted. The Clerk Typist added in the department last year will remain funded. No other concerns were raised.

Mass Casualty Preparedness Update

Meier reports that the Base Hospital training is going well. We continue to exercise this monthly with the area hospitals.

E. Reports to Committee

Medical Advisory Subcommittee Report

Dr. Lohmeier spoke to the work of the new workgroups within Medical Advisory. Training/Education is working on a curriculum to engage all medical directors in the system. Information sharing is discussing how to best communicate urgent concerns to EMS providers. System Health is looking at Ketamine and Pediatric Airway data and creating a SEPSIS protocol. Community Engagement is working on the County role in Community Paramedicine (aka mobile integrated healthcare). Also, the protocol revision group is meeting again to work thru the updates for 2018.

Operating Practices Subcommittee Report

Ziegler and Meier updated that the OPS group is working on triage systems and warm zone modifications.
