C. Action Items

TRIAGE TRAINING PLAN FOR COUNTY - START vs. MUCC Compliant

The subcommittee discussed their research into SALT and START triage. SALT meets the State of Wisconsin expectation of being MUCC compliant. The group felt it was a good time to make a County change to SALT. We then discussed equipment and tags. The subcommittee asked to keep our current tags but determine if gray expectant could be added. Captain Roman will also bring the MCI jump bag that MFD uses for the group to assess. Training will be discussed next month, thoughts included a train the trainer, webinar and local training with the assistance of the RTAC. Use was also discussed, the subcommittee will put out best practice information on using tags, daily or weekly depending on agency size.

D. Discussion Items

Warm Zone Guidance for County Agencies

After discussion in July the subcommittee was asked to review the plan from 2015 and the updated information to determine if changes needed to be made. The members felt that the 2015 materials are an excellent foundation and really only need an update that there can and will be variations based on incident nature and community capabilities. There needs to be consensus of the general plan by Fire/EMS and Police. The subcommittee suggested that the Association Executive boards gather to discuss this and gather agreement of this concept and that it will vary. Dane County Emergency Management will lead pulling this discussion together.

First Responder Quick Guide

Meier shared draft copies of a responder guide that is being developed with the EMS office and the DCSO. Looking for feedback from the group.

E. Reports to Committee

F. Future Meeting Items and Dates

G. Public Comment on Items not on the Agenda

Wunsch asked for an update on the infection control handbook. Meier reported that the workgroup has been meeting and a book is near completion. There will also be two flowcharts, one for possible bloodborne exposure and one for possible airborne exposure.

H. Such Other Business as Allowed by Law

I. Adjourn

This was adjourned
