

Dane County

Minutes - Final Unless Amended by Committee

Lakes & Watershed Commission

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

G. Reports to Committee

1. Executive Committee - 2019 Budget Planning

The commission is planning to have a final budget published for public hearing by July 5. The public hearing would occur during the July 19th commission meeting. Commissioners should have their budget ideas to PORTER and WEST by June 28th.

2. Work Group Budget Recommendations Discussion

•Equity and Inclusion Work Group – would like Wes Sparkman to give an update on county-wide progress. They would also like an update on the LWRD equity and inclusion plan. The work group would like to have a future meeting at Centro Hispano or the Catholic Multicultural Center. One budget idea is to help expand the Lake Explorers camp to new areas and to get DOTS kids for these camps.

•Healthy Farms, Healthy Lakes – met in June. They hope to vote on recommendations at the August meeting.

•No other work groups met.

3. Community Engagement Report

Sanford highlighted the storm drain mural program and the new story map site. Ten additional murals will be painted over the summer.

H. Announcement

•Wisconsin Department of Natural Resources staff awarded the Dane County Land and Water Resource Department a Fisheries Management External Partner Award.

•Commission members discussed publicly noticing work groups and decided they would like to keep noticing them. They want to post work group agendas but keeping them simple to reduce drain on staff.

•Dea Larson-Converse (Clean Lakes Alliance) – CLA recently published state of the lakes report. This is a new format and they welcome feedback. They also published a Lake Guide. They are currently conducting an inventory of beaches and equity is a component of this assessment. There is currently a survey out to gather public input on lakes and they would love the commission's help to promote this survey.

I. Future Meeting Items and Dates
