C. Discussion Items

EMS Banquet - February 17, 2018

Meier shared the invitation with all Commission members. UW Health approached the department to see if they could sponsor the banquet by paying for the food and drinks. This year there will be no charge to attendees but we still ask for RSVP. Thirty One survivors will be honored along with the EMS providers with years of service awards.

Survey Discussion and Summit Planning

Hillebrand distributed the 3 packets of survey results. The commission and audience had lengthy discussion on what the true mission of the summit should be. A lot of discussion on how we better prepare our municipal leaders for what is facing the EMS community. Many have been thru these challenging times and can serve as mentors to others. With limited time after valuable discussion it was concluded that EMS office Staff would summarize and pull together concrete ideas for the Commission to decide on format at the February meeting.
