[SUB 1 TO 2018 OA-1](#)

Supervisor Wegleitner spoke and suggested the following changes to the OA:

1) *No county meetings should occur on days where there is a countywide or statewide primary schedule.*

- Committee members expressed concern that the number of days on which committees can conduct the business of the county is getting narrower and narrower given the holidays and other days already restricted for meetings.

2) *Mandating videorecording of standing committee meetings when meetings are held at their regular locations.*

- Chair Corrigan raised concerns about cost and management. Supervisor Schmidt suggested instead communicating with chairs of the committees re: how they could get their meetings recorded if desired, rather than automatically recording all meetings. Supervisor Stubbs suggested that videorecording might not be the best or desired format for communication, especially given the cost, and that supervisors should check with their constituents to see what other forms of outreach/communications they might prefer.

- Supervisor Bayrd wanted to make sure that the provision of Section 7.22(14) indicating that "Committee members may participate in a meeting via telephone or other electronic media but cannot be counted for quorum or vote" means that "may" is at the discretion of the committee member and that if the committee member needs to take advantage of that rule, then provisions will be made to do so. The committee indicated that was the intent of that rule change.

A motion was made by SCHMIDT, seconded by BAYRD, that the Ordinance be amended as follows:

Add the following language to 7.225(2)(a) "Items are not considered to be the same item if a new amendment has been posted and the public has not had the opportunity to testify on the new amendment." The motion carried by a voice vote (7-0).

A motion was made by CORRIGAN, seconded by SCHMIDT.

After "(2) Land Conservation Committee. The land conservation committee shall be composed of"

ADD the following: "the same supervisor members appointed by the county board chairperson to the Environment, Agriculture, Natural Resources Committee, and one additional supervisor,"

DELETE the following: "at least five (5), but no more than seven (7), supervisor members appointed by the county board chairperson"

Substitute "t" for "T" in "together" following "supervisor" and in "the" following "designee,"

The motion carried by a voice vote (7-0).

A motion was made by SCHMIDT, seconded by STUBBS, that the Ordinance be recommended for approval as amended. The motion carried by a voice vote (7-0).

A substitute to OA -01 will be drafted incorporating the amendments.
