- 1. Is this funding request for a new or an existing program?*
- 2. Describe how CDBG/HOME funds are needed to ensure the viability of this project.*
- 3. Describe how funds are being used to address areas of greatest need and how that determination was made.*
- 4. Will this project involve the displacement of families, households, partnerships, businesses, etc. from their homes or businesses? If yes, describe the notices and assistance your organization expects to provide and the amount of funds allocated to do so.*
- 5. Can all funds awarded in 2019 be reasonably expected to be expended? If this is a multi-year project, what amount of funds will be spent in each year?*
- 6. Describe the risks to undertaking this project and your plans to address them.*
- 7. If the funding request is for an existing program, at what point will the program become self-supporting? If never, what are other sources of funding? What additional money can be leveraged?*
- 8. Provide a 5-year history of your relationship with the CDBG/HOME programs. Provide information on the specific results compared to the expected program outcomes stated in your most recent contract(s). Please provide any additional information that will allow us to fairly evaluate your past performance.*
- 9. Provide a list of all activities to raise other funds (with results).*
