C. Action Items

EMS Summit discussion and planning

Lengthy discussion regarding the summit. Salov suggested that we lock in a date of Wednesday March 27th from 3:30pm to 7:30pm and at the planned Commission meeting location of Waunakee. The date was agreed upon and then discussion continued on the goals and look for the summit. The decision was made to hold a special Commission meeting on Tuesday December 18th at 5pm. The Commission will determine the panel, discussion points and who should be invited. There was a strong consensus that it would be good to have key speakers and have some outside the box ideas to discuss and build conversation.
