There is an agreement all away around to be innovative in promoting equity and inclusion throughout the county (i.e. including OEI goals and appointment letters for department heads, having an annual to the Board of Supervisors, Implement UC Bias training throughout County Department)

F. Future Meeting Items and Dates

G. Public Comment on Items not on the Agenda

Public Appearance

Commissioner Fisher (EEO Commission) – Should explore and look at how to educate people in the county. What does Equity and Inclusion look like? We have resources but persons are not being plugged in. Research as to what we can plugged into?

Dane has a lot of equipment, but you have people that don't know how to operate and inappropriate. How does OEI Advisory and EEO Commission work better together? We have to start with the data and how it is being collected.
