—Work team reports

1. Food Waste & Recovery.

RITT - Hasn't met again yet. The next meeting is Feb 19, 4:45pm, Fen Oak.

2. Urban Ag.

CATON CAMPBELL - Last meeting was Dec. 17; focused primarily on Ag leases – trending from primarily conventional Ag to possibly prioritizing more restorative farming practices.

3. Dane County Ag.

TESCH – First meeting was today, Jan 22 (new work team). Discussed initially focusing on increasing market opportunities for Dane County growers. Considering exploring a branding initiative that is more specific than Buy Local Buy Wisconsin; something especially attractive to restaurants.

4. Food Access.

TESCH – Hasn't met again yet. Next meeting is Jan 30. The initial focus will be centered around gathering and compiling existing data and assessments about food access needs first – and then using that to inform action ideas.

5. Food Entrepreneurship.

RICHARDS – Recent topics discussed include transportation issues, distribution issues, and record keeping. Created a shared notes doc for people to access; share information. Looking at a Feb meeting date to continue the conversation. Looking to post resources online – possibilities include the Dane County Food Council site, Dane County Food Coalition site, Edible Startup Network site, Startupbiz food website. May consider embedding YouTube videos of short how-to explanations.
