E. Reports to Committee

1. Review YC Chair Roles and Committee Opportunities

Committee opportunities include the DCYA Steering Committee that will reconvene in April 2021 after the survey administration concludes in March and K12 Associates has created data tables for review. Williams expressed interest in joining the DCYA Steering committee.

2. Review Commission Roles and Opportunities

Benson reviewed the DYC Expectations and Activities. Joers inquired about whether the Commission will continue holding youth listening sessions. Benson explained the process and recommended listening sessions continue. Kata and Morales commented on the value of the listening sessions and how the process shone a light on the inequities in the community and where interventions should focus. Benson suggested alternating listening sessions with regular YC meetings in 2021. Stampfli recommended the Commission loop back to groups visited in 2019 informing them on how their input affected the community.

3. Budget Update Related to Youth Issues

Supervisors Haasl and Joers reported the budget passed with few new initiatives given the Department reduction targets. No youth programs were cut or eliminated.
